ABOUT MORRISON ACADEMY TAIPEI (MAT)

Morrison Academy Taipei is the northern campus of Morrison Academy. Morrison Academy operates three high schools (grades 9-12) and four elementary and middle schools with a system-wide enrollment of 952. Morrison Academy was founded in 1952 to meet the educational needs of the children of missionaries throughout Taiwan. Morrison seeks to develop a Christ-centered school culture in which all students from missionary and non-missionary families experience a Biblically-integrated quality education. The vision for our learners guides students to develop the knowledge, discernment, and abilities to dynamically impact their world for Christ.

STUDENT BODY & FACULTY

Taipei's high school enrollment for the 2023-2024 school year is 96, with students from 15 countries, predominantly the U.S. and Canada. Of the 22 members of the class of 2024, these nations are represented: Australia, Japan, South Africa, South Korea, and the United States. There are 23 students in the junior class, 25 in the sophomore class, and 26 in the freshman class. Our high school faculty are all certified and several have advanced degrees including one who has completed a doctorate.
